SEMESTER- V

Course Title (Discipline Specific Elective): Human Rights in a Comparative Perspective

Course Code: AHPLS-503/DSE-1

(Students to choose one of the two Courses)

Credit: 06

Contact Hours/week: 06

Maximum Marks: 50 (ESE-40; IA-10)

Examination Duration: 2 Hours

Course Objective: This course attempts to build an understanding of human rights among students through a study of specific issues in a comparative perspective. It is important for students to see how debates on human rights have taken distinct forms historically and in the contemporary world. The course seeks to anchor all issues in the Indian context, and pulls out another country to form a broader comparative frame. Students will be expected to use a range of resources, including films, biographies, and official documents to study each theme. Thematic discussion of sub-topics in the second and third sections should include state response to issues and structural violence questions.

I. Human Rights- Theory and Institutionalization:

- a. Understanding Human Rights: Three Generations of Rights
- b. Institutionalization: Universal Declaration of Human Rights
- c. Rights in National Constitutions: South Africa and India

II. Issues:

- a. Torture: USA and India
- b. Surveillance and Censorship: China and India
- c. Terrorism and Insecurity of Minorities: USA and India

III. Structural Violence:

- a. Caste and Race: South Africa and India
- b. Gender and Violence: India and Pakistan
- c. Adivasis/Aboriginals and the Land Question: Australia and India.

SEMESTER- III

Course Title (Skill Enhancement Course): Refugees and Human Rights with special reference to India

Course Code: A/ PLS/ 305/ SEC-3

Credit: 04 Contact Hours/week: 04

Maximum Marks: 50 (ESE-40; IA-10)

Examination Duration: 2 Hours

Learning Objective: This course is divided into three units. Unit I introduces our students about the basic knowledge on refugees, migrants and asylum seekers as well as nature of the migration and immigration in India. Unit II on the other hand has an objective to teach various important human rights made for refugees including contextual history of organising such conventions. On the other hand, Unit III will teach them about the Constitutional safeguards that refugees can demand in India. And last but not the least, while examining UNHCR's role in India, our students will be able to compare the gap, if any, between theories made for refugees and the facilities they are getting in realities.

Learning Outcome: After completing this course, students will be able to understand the nature of refugee and migration problem in India. Why India not signed Convention of 1951 and Protocol of 1967, and in spite of that, how did India manage human rights issues of the migrants--- at the end of the semester, students will be answered all these successfully. Even, how do Indian Constitution protect human rights of the refugees (despite absence of exclusive laws for refugees in India) and what kind of role is played by the UNHCR in India, an international organisation, all will be gripped by our pupils.

Unit- I: Concept of Refugees, Migrants and Asylum Seekers:

7.2. SEC- 1: Biofertilizers
Course Code: S/BOT/104/SEC-1
Credit: 3

Theory

(Lecture 30/Marks 40)

Course Learning Outcomes:

- Know about Biofertilizers which are best defined as biologically active products which help in crop production without any side effects.
- Aware about social justice and wellbeing of rural communities.
- Develop concepts regarding green manuring and organic fertilizers.
- Develop good public health and food security.
- Develop financial security.
- Develop knowledge about vermicomposting and VAM for better crop production.

Unit 1: (4 lectures)

General account about the microbes used as biofertilizer. *Rhizobium*: isolation, identification, mass multiplication, carrier based inoculants. Actinorrhizal symbiosis.

Unit 2: (8 lectures)

Azospirillum: Isolation and mass multiplication, carrier based inoculant, associative effect of different microorganisms. *Azotobacter*: isolation, identification, mass multiplication, carrier based inoculants.

Unit 3: (4 lectures)

Cyanobacteria (blue green algae), *Azolla* and *Anabaena azollae* association, blue green algae (BGA) and *Azolla* in rice cultivation

Unit 4: (8 lectures)

Mycorrhizal association, types of mycorrhizal association, VAM: isolation and inoculum production of VAM, and its influence on growth and yield of crop plants.

Unit 5: (6 lectures)

Organic farming: Green manuring and organic fertilizers; Recycling of biodegradable municipal, agricultural and Industrial wastes – biocompost making methods; Types and method of vermicomposting, its field Application.

Generic Elective II (Inter-Disciplinary):-

Sem - VI (P)

Gender and Education in India: -

Objectives:

This course aims to understand and examine how education and schooling are deeply 'gendered' constructs and experiences. It uses education and schooling as an entry point to examine questions related to state formation, international institutions, public policies, inequality and labour in colonial and contemporary contexts through the lens of gender. The course has scrutinized the historic denial and unequal access of education to girls and women and the challenges to this inequality, which shaped up in colonial and independent India. Different national and international policy documents and discourses are examined in the course to take note of how state policies, international institutions, different sections of civil society and the intersecting vectors of gender, class, race, caste and ethnicity shape the policies, initiatives, and programmes for education of girls.

Outcome:

On successful completion of this course students should be able to: Explain key concepts related to gender and different feminist perspectives on education; Demonstrate familiarity with key policies, issues and debates around gender and education in contemporary India; Examine gendered nature of school curriculum, textbooks, school processes, classrooms, teacher attitudes and peer conversation.

Evaluation:

Internal Assessment- 10 marks.

2 marks x 5= 10 marks (short descriptive answers within 50 words).

5 marks x 4= 20 marks (within 100 words).

10 marks x 1= 10 marks (within 500 words).

Module-I: Historiographical Trends. Concepts of Sex and Gender, Gender Stereotypes, Gender Bias.

Module-II: Education in Early and Medieval Times; Formal & Informal

Module-III: Colonial Period: Socio-Religious Reforms; Women & Education for females including Western Medical Education.

Module-IV: Role of School and Colleges in Colonial and Post Colonial Period.

Module-V: Contours of Female Literacy since 1950.

Module-VI: Present Scenario: Education as a Tool of Empowerment.

A/HIS/104/SEC-1: Understanding Popular Culture

Understanding Popular Culture

Learning Objectives: This course is designed to introduce students to a variety of critical approaches used in the study of popular culture. Although this course will draw on their familiarity with popular culture, the course will approach the subject from a scholarly perspective. The overall objective is to explore how popular culture, in all its various forms, not only reflects the world around us but also how it influences the way we perceive the world. Every day we are exposed to thousands of images, sounds and experiences that we understand as natural. The course will examine a wide range of subjects (such as film, television, music, advertising and the internet) using a wide range of critical approaches (such as genre theory, gender studies, semiotics, and political economy), so we can better understand how contemporary Indian culture shapes our lives.

Title of the programme: Doctors' Day Celebration by Tree Plantation Program
Sonamukhi College Eco-club

Organized by:

Date of the programme: 01.07.2024

Objectives of Doctors' Day Celebration: The day aims to recognize and honor the contributions of physicians to the well-being of society and to create awareness about the important role they play in saving lives and promoting public health. This day serves as a platform to raise awareness about the crucial role doctor play and their selfless dedication.

Programme outcomes: To motivate the students to keep their surroundings green and clean by undertaking plantation of trees. Just as doctors work tirelessly to keep us well, plants also keep us alive by providing oxygen. Both provide selfless service to keep people well. Students are well informed about this matter.

Name of the Programme: Celebration of World Clean-up Day 2024 & Dengue Awareness Program
Organized by: Sonamukhi College Eco-club & Dept. of Geography

Date of the programme: 20.09.2024

Funding Agency: Sonamukhi College

Aims and Objectives:

- Encourage students and communities to take responsibility for maintaining cleanliness in their surroundings.
- Involve students in direct action, such as spreading lime and bleaching powder in drains to prevent mosquito larvae from breeding.
- To inculcate awareness among students that it is their duty and responsibility to keep their surrounding clean because cleanliness is next to Godliness

Programme outcome:

- Increased awareness among students and faculty about the importance of cleanliness and hygiene in preventing diseases like dengue.
- The members of the Eco-club directly contributed to dengue prevention by spreading lime and bleaching powder in the drains.
- This improved sanitation initiative will promote a healthier and safer environment for students and staff on the college campus.

Title of the programme: Celebration of World Environment Day & Tree Plantation Program

Organized

by: Sonamukhi College Eco-club, NSS & NCC Units

Date of the programme: 05.06.2025

Objectives:

- To raise environmental awareness among the younger generation and inspire them to protect nature.
- To contribute to ecological balance by planting trees outside the college campus, particularly in a village primary school and an ashram.
- To instill a sense of social and environmental responsibility among students.

Outcomes:

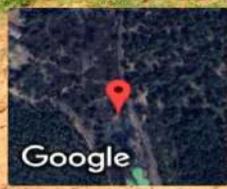

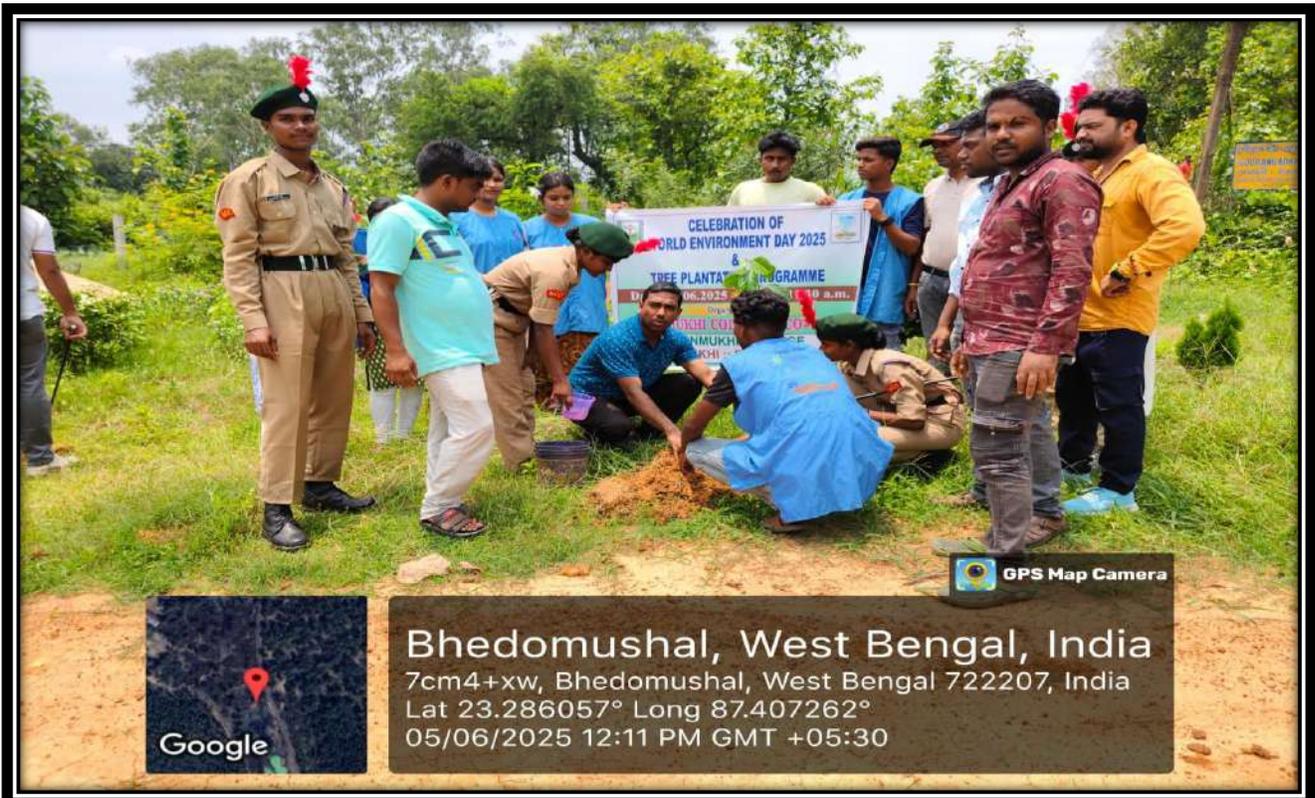

1. Created awareness and real-life learning about the environment among primary school students in the village.
2. Several trees were planted within the school and ashram premises, contributing to the local greenery.
3. Strengthened teamwork and cooperation among Eco-club, NCC, and NSS members.

Spread a positive message in the rural community about the importance of environmental conservation

Workshop on “Mushroom Cultivation and Vermicomposting” Conducted By RDC Cell in collaboration with Dept of Botany, Sonamukhi College and ARSW Society (As a part of MOU)

A Brief Report of Workshop on “Mushroom Cultivation and Vermicomposting”

1. **Conducted By:** RDC Cell in collaboration with Dept of Botany, Sonamukhi College and ARSW Society (As a part of MOU)
2. **Collaborating Agency:** ARSW society, Ranbahal, Amarkanan, Bankura
3. **Date:** 12.12.2024 & 13.12.2024
4. **Venue:** Department of Botany, Sonamukhi college
5. **Target Audience:** Students of Biological Science of Sonamukhi College
6. **Number of Participants:**
7. **Organizing Committee:**
PATRON – Dr. Bappaditya Mandal, Principal, Sonamukhi College
PRESIDENT – Dr. Partha Sarathi De, Associate Professor, Sonamukhi College
CONVENOR – Dr. Dipak Kumar Hens, Associate Professor, Sonamukhi College
JOINT CONVENOR – Dr. Subir Kumar Chowdhury, Associate Professor, Sonamukhi College
SECRETARY – Dr. Manisha Biswas, Assistant Professor, Sonamukhi College
RESOURCE PERSON – Dr. Anjan Kumar Sinha, Assistant Professor, Raghunathpur College
Internal Resource Person: 1. Dr. Dipak Kumar Hens
2. Dr. Partha Sarathi De
3. Dr. Manisha Halder Biswas
4. Mrs. Sudeshna Pal
5. Mr. Subhadip Ghosh

Objective:

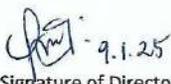

- I. The objective of the program is to motivate and enhance the skill of students on mushroom cultivation and vermicomposting technology.
- II. This program will help students to become self-employed.
- III. Mushroom Culture Technology is a SEC paper (S/BOT/204/SEC-2 and S/BOT/203/MD-2) in NEP Four Years UG Course in Botany UG curriculum of Bankura University and vermicomposting process is included in another SEC paper (Biofertilizer- Course Code: S/BOT/104/SEC-2 and S/BOT/103/MD-2) in NEP Four Years UG Course in Botany UG curriculum.
- IV. Another purpose of vermicomposting unit is to manage biodegradable wastes generated in college campus and from college canteen.
- V. Students of Bio science of our college participated in this workshop and learn about technique of vermicomposting and mushroom culture.

Outcome:

Sixty one students were actively participated and involved in hands on training program. They were benefited from this program and mostly eager to develop small unit in their home. They gave suggestion in their feedback responses to organize more advance training and workshop like this. Hope the knowledge of this workshop will spread in our society through our stakeholders and society will be benefited.

As mushroom culture technology and vermicomposting process is included in our NEP curriculum the students gathered knowledge from this workshop about the techniques.

Sir,

In view of your expertise in the related field, we would very much appreciate if you act as a resource person in our two days workshop on "Mushroom Cultivation and Vermicomposting" conducted by the RDC Cell in collaboration with Dept of Botany, Sonamukhi College and ARSW Society in the Department of Botany, Sonamukhi College on 12th and 13th December 2024.

Your kind cooperation and support in this endeavour is earnestly solicited and gratefully acknowledged in advance.

Thank you for your valuable time.

One Day National Seminar on “Recent Trends in Mathematics and Its Applications” organised by Department of Mathematics & IQAC Sonamukhi College, IN ASSOCIATION WITH AND PARTIALLY SPONSORED BY Vivekananda Guidance & Counselling Educational Trust, Midnapore, WB

A Brief Report on Seminar/Workshop/Webinar

1. **Title of the Seminar:** *Recent Trends in Mathematics and Its Applications*
2. **Organized By:** Department of Mathematics & IQAC, Sonamukhi College
3. **Association With:** Vivekananda Guidance & Counselling Educational Trust, Midnapore
4. **Date:** 13th December, 2024
5. **Venue:** Seminar Hall (F2), Sonamukhi College
6. **Number of Participants:** 33 (Thirty three)
7. **Funded By:** Sonamukhi College, Vivekananda Guidance & Counselling Educational Trust, Midnapore
8. **Level:** National
10. **Details of Resource Persons:**
 - I. Prof. Dr. habil. Subhendu Bikash Hazra, Dept. of Mathematics, Bankura University, Bankura
 - II. Dr. MijanurRahamanSeikh, Dept. of Mathematics, Kazi Nazrul University, Asansol
 - III. Dr. Bidhan Chandra Sardar, Dept. of Mathematics, IIT Ropar

Objective:

The seminar aimed to illuminate the latest developments in mathematical theory and its diverse applications across various fields. The seminar will provide a platform for researchers and professionals to share insights on advancements in mathematics and its practical applications in various areas of pure and applied mathematics including Fuzzy set theory, Game theory, Decision-making, Partial Diff. Equations and their applications, Mathematical biology, highlighting the role of mathematics in shaping future innovations, etc. Ultimately, this seminar seeks to enrich understanding and inspire further exploration in both pure and applied mathematics.

The primary objective of the seminar was to create an engaging academic environment where **mathematicians, researchers, and students** could exchange knowledge, discuss cutting-edge developments, and address key challenges in the field. The event sought to encourage research collaborations, promote interdisciplinary approaches, and foster a deeper appreciation of the role of mathematics in solving real-world problems.

Basic objectives of the seminar –

1. **Enhancing Knowledge:** To provide participants with insights into emerging areas of mathematical research and their applications in real-world problems.
2. **Interdisciplinary Approach:** To explore the role of mathematics in diverse fields such as engineering, physics, and computational sciences, etc.
3. **Encouraging Research and Collaboration:** To create a platform for researchers and academicians to exchange ideas, present their findings, and establish collaborative networks.
4. **Exposure to Advanced Topics:** To introduce participants to advanced mathematical concepts such as modelling and simulation, fuzzy set theory, and homogenization of PDEs, through expert lectures.
5. **Student Engagement:** To motivate undergraduate students towards higher studies and research in mathematics.

Outcome:

The seminar proved to be a significant academic event, fostering knowledge exchange and intellectual growth among participants. The expert lectures provided valuable insights into advanced mathematical concepts, enriching the understanding of both students and researchers. Participants gained exposure to cutting-edge topics such as mathematical modeling, fuzzy set theory, and the homogenization of partial differential equations, which broadened their perspective on real-world applications of mathematics. The research paper presentations allowed scholars to showcase their findings, receive constructive feedback, and engage in meaningful discussions, thereby refining their research ideas. Additionally, the event facilitated networking among faculty members, research scholars, and students from various institutions, fostering potential collaborations for future research endeavors. The seminar also served as a source of motivation for undergraduate students, inspiring them to explore mathematics beyond their academic curriculum and consider research-oriented careers. Moreover, the papers presented during the seminar were considered for publication in an Abstract Proceedings, ensuring that the knowledge shared during the event reaches a wider audience. Overall, the seminar was a resounding success, reinforcing the relevance of mathematics in both theoretical advancements and practical applications.

About the College: Sonamukhi College, a reputed higher education institution in Bankura District, West Bengal was established in 1966. Renowned for its academic excellence, vibrant atmosphere, eco-friendly setting, cultural engagement, and sportsmanship, the college is currently accredited with B+ grade by NAAC. It offers 18 major undergraduate subjects under the affiliation of Bankura University.

The Department of Mathematics at Sonamukhi College began its journey in 1979, offering a degree course in Mathematics. The department aims to deepen students' understanding of mathematical, quantitative, and scientific principles applicable in various fields, fostering analytical decision-making. Beside regular teaching-learning activities, the department tries to organize seminar, webinar, etc. in regular basis.

About the Seminar: The seminar aims to illuminate the latest developments in mathematical theory and its diverse applications across various fields. The seminar will provide a platform for researchers and professionals to share insights on advancements in mathematics and its practical applications in various areas of pure and applied mathematics including Fuzzy set theory, Game theory, Decision-making, Partial Diff. Equations and their applications, Mathematical biology, highlighting the role of mathematics in shaping future innovations, etc. Ultimately, this seminar seeks to enrich understanding and inspire further exploration in both pure and applied mathematics.

Thrust Areas:

Operations Research
Fuzzy Set Theory
Multi Attribute Decision Making
Inventory Management
Supply Chain Management
Game Theory
Soft Computing
Algebra
Real Analysis
Complex Analysis
Differential Equation
Partial Differential Equation
Numerical Analysis
Fluid Dynamics
and so on

Call for Papers:

Sir/Madam,

It is indeed a great pleasure to invite you to the national level seminar and contribute by submitting an original research article, review work, case study, popular Talk, etc. in relevant areas. The faculty members, Research scholars, Students, Ex-students can participate in the seminar. Your participation will contribute greatly to the success of this event. Thanking you.

Convener, Organizing Committee

Guidelines for Abstract:

Please prepare your abstract within 300 words in MS Word with font style Times New Roman, size 12 and line spacing of 1.5. The Title should be in Capital and Bold followed by the name of the Author(s), Affiliation, Designation and email ID. Please submit your abstract to mathematics@sonamukhicollege.ac.in by 5th December 2024.

Registration Fee (spot collection)

Faculty/Scientist: Rs. 600/-
Research Scholar: Rs. 400/-

Sir,

I am to state that the Department of Mathematics of our college is going to organize a National seminar which will be held on 13th December, 2024. So, it is our earnest request to be the sponsor of our seminar.

We will be highly obliged if you kindly grant us your sponsorship for the said Seminar, so that we can make the seminar successful.

Thanking you in anticipation.

A one-day Faculty Development Programme on “Indian Research Information Network System (IRINS) Adoption & Promotion” Organized by Seminar Committee & Central Library in association with IQAC, Sonamukhi College; Dated 25/03/2025

A Brief Report on Seminar/Workshop/Webinar

1. Title of the Seminar/Webinar: Indian Research Information Network System (IRINS) Adoption & Promotion
2. Organized By: Seminar Committee & Central Library in association with IQAC, Sonamukhi College
3. Collaborating Agency, if Any: NIL
4. Date: **25.03.2025**
5. Venue: Seminar Hall(F2), Sonamukhi College
6. Number of Participants: 46
7. Funded By: Sonamukhi College
8. Level: College Level
9. Details of Resource Persons: Mr. **Deep Kumar Kirtania, Librarian, Sammilani College, Bankura, West Bengal**
10. Objective:
 - It improves the research metadata quality and reduces the repetitive data entry for various assessment system.
 - It supports the faculty members to show case the in research contributions to the peer group.
 - It enables the administrators to build research report, performance assessments and research impact analysis.
 - It provides immense support to find mentors or advisors for their research in respective domain.
11. Outcome:
 - It helps the IQAC & NIRF Coordinators to generate report for various research assessment.
 - It helps the scholars to locate courses in their subject interests and research focus on the department & organization.

About IRINS

IRINS is web-based Research Information Management (RIM) service provided by the Information and Library Network (INFLIBNET) Centre, An Inter-University Centre of University Grants Commission, developed a database called "VIDWAN: Expert database and National Research Network. The IRINS is available as free software-as-service to the academic and R&D organizations in India. It would support to integrate the existing research management system such as HR system, course management, grant management system, Institutional Repository, open and commercial citation databases, scholarly publishers etc. It has integrated with academic identity such as ORCID ID, Scopus ID, Research ID, Microsoft Academic ID, Google Scholar ID for ingesting the scholarly publications from various sources.

Benefits of IRINS: -

- It improves the research metadata quality and reduce the repetitive data entry for various assessment system.
- It supports the faculty members to showcase their research contributions to the peer group.
- It enables the administrators to build research report, performance assessments and research impact analysis.
- It helps the IQAC & NIRF Coordinators to generate report for various research assessment.
- It provides immense support to find mentors or advisors for their research in respective domain.
- It helps the scholars to locate courses in their subject interests and research focus on the department & organization.

Key Features: -

Discovery: -

- Key research area and research progress of departments and faculty members.
- Faceted search facility with number of filters to find experts and their contribution.

API :-

- Impact publications from academic identities such as Microsoft Academic Search ID, Google Scholar ID, Researcher ID, Scopus ID and
- ORCID integration to ingest the profile information with publication.

Visualization :-

- Networking of faculty through co- author network, map of science network and
- Graphical representation on productivity of the department and individual faculty member

Research Impact: -

- Altmetric from social media such as Facebook, Twitter and Mendeley
- Citation from Scopus, CrossRef and link to Open Access article through Impact Story
