NATIONAL LEVEL SEMINAR

On

'PLANTS, THE NATURAL WONDER: ISSUES & CONCERN'

(October 4-5, 2016)

At SONAMUKHI COLLEGE

Sonamukhi, Bankura, W.B.

Organised By:Department of Botany
SONAMUKHI COLLEGE
Sonamukhi, Bankura

In collaboration with :Department of Botany
BANKURA CHRISTIAN COLLEGE
Bankura

:: Sponsored by ::

UNIVERSITY GRANTS COMMISSION

PREAMBLE

Sonamukhi College is situated at Sonamukhi town, a municipality in Bankura District of West Bengal. It is about 30 km. from Bishnupur, 45 km. from Bankura, 45 km. from Durgapur and 60 km. from Burdwan. Sonamukhi college is blessed to reside by sal forest at one side and agricultural field in another. The forest of Sonamukhi Range is a tropical dry deciduous forest under Bankura North Forest Division, West Bengal. This forest produces vast majority of forest product of Bankura District.

About the Seminar

Life on Earth is sustained by plants. They are the basis for biospheric ecosystems, have a profound impact on atmospheric chemistry and supporting other organisms. As such plants will be essential in counter-acting the problems faced in sustainable maintenance of agriculture and forest resources and interlinked areas with science-based solutions. This national seminar on 'Plants, the natural wonder: issues & concern' is attempted to engage the broad plant science research community in developing a consensus plan to invigorate and guide plant science research towards sustainable maintenance of plant resources/life and well-being of human-kind.

Our goal is to develop a forward-looking perspective on the botanical profession for the twenty-first century. Working together at all levels – local, regional, national and global – to understand, conserve and use sustainably the world's immense wealth of plant and its effect on interrelated biotic environment whilst promoting awareness for its effective implementation.

Call for papers and participation

Sir/Madam

It is a pleasure to invite you to participate in the seminar and contribute research papers, case studies and/or review in relevant areas. Students and research scholars are also cordially invited in the seminar.

Thanking you,

Secretary, Organizing Committee, Dept. of Botany, Sonamukhi College www.sonamukhicollegebankura.com

Thrust areas:

- ✓ Understanding and utilizing plants
- ✓ Plant-microbe interaction
- ✓ Plant product
- ✓ Plant-environment interaction
- ✓ Plant issues at molecular level
- ✓ Biodiversity

Guideline for abstract / full length paper submission:

- * The interested person is requested to submit the abstract (within 300 words, 1.5 line spacing,. Times New Roman set at font size 12, A-4 size paper, title in CAPITAL, Bold followed by the names of the author(s), their affiliations and email addresses) in MS Word file and through e-mail to sunita babli@rediffmail.com within stipulated date.
- Posters should conform to the suggested size of 1m x 0.75m and include title, author names and addresses for communication.
- Full length papers (within 2500 words) will be submitted by email to sunita_babli@rediffmail.com. Format will be provided to selected authors after peer review
- * All participants are requested to register for the seminar with prescribed registration fees.

Project Work / Field Work

REPORT OF FIELD WORK OF GEOGRAPHY DEPARTMENT

DEPARTMENT OF GEOGRAPHY

SONAMUKHI COLLEGE SONAMUKHI, BANKURA

Report on Field Work/ Excursion/ Project Work

- 1. Name of the Department : Geography
- 2. Period of Excursion / Field Work / Project Work: 10/03/2020-14/03/2020
- 3. No. of Teachers participants with name: Mr. Ashis Pandit & Mr. Jhantu Bangal
- 4. No. of Non-teaching participants with name:
- 5. No. of students participants: 17
- 6. Place(s) visited: Lataguri Gorumara, Jalpaiguri, W.B.
- 7. Title of the Field Work/ Project Work: Socio-Economic Survey of Lataguri Mouza (Jalpaiguri District) W.B.
- 8. Paper Title: SHGEO/602/C-14P: Research Methodology and Field Work
- 9. Objectives: The main objectives of this fieldwork is to analyse the various socio-economics data available from the study area and application of various cartographic measures to understand the nature of problems.
- 10. Methodology & Data Collection (2-3 Sentence): Different methods are applied for field study, like- Prefield Study is related with the data collection and to get informations of the study spots, like mouza map,census report, climatic data, topographical map etc. Field study is related to door to door survey to collect different informations from the village people, intensive study of the visited area etc. Post field method is related to the analytical study of collected data from field study and different reports on soils taken from the laboratory which was collected from field.
- 11. Major findings (4-5 Sentences): In the study area, we found retail marketing pattern. Different types of vegetables, like potato, gaur, onion, cabbage, chilly, capsicum; varieties tea, chock let, handmade things (like bag). Here also we found dry fish, meat. All these things are available from

- local market lataguri. The poor villagers of the study areas use Government Health Centre from the central point of the village is about 1 km.
- 12. Outcome (4-5 Sentence): Lataguri is located outside the Gorumara National Park on National Highway No. 31. Permits for entering Gorumara and Chapramari Wildlife Sanctuary are given from Lataguri. The village also contains a "Nature Interpretation Center", which gives information about the flora and fauna of the area. A few roadside restaurants ("Dhabas") and hotels cater for tourists. The people here depend mainly on tourists for their livelihood.
- 13. Conclusions / Suggestion: Inequalities in welfare, health, and safety benefits of tea workers have been found among different categories of tea companies in the study.
- 14. Funding agency: Self approach by the teachers and students with the kind permission of the college authority.
- 15. Comments / Suggestions: The type of excursion / Educational tour is very helpful for the students to absorb the actual learning through practical experience.

REPORT OF FIELD WORK OF BOTANY DEPARTMENT

Excursion Report 2016-17 Department of Botany

Perpose: Educational Field Trip plays a vital role in the curriculum, which serves a wide range of benefits in several ways including founding and touching. One of them is that they help students to learn through authentic experience and can be an interesting way to explore new things for both the learners and teachers. The conception obtained through text books get matured and full form by students make. Knowledge can also be obtained about the geographical distribution of different types of plants, their proper habitate, habit and influence on surrounding environment. This is the reason why students should encourage to engage in field trips which are significant for students. In educational excursion, students have ample opportunity to witness new things, learn about new curveoments at their own pace and immerse themselves in an authentic experience, without having to the anxiety of homework, exams or tests. Most importantly, field trips contribute greatly to build self-confidence and foster a sense of teamwork and community.
