#### **Objective:**

- I. The objective of the program is to motivate and enhance the skill of students on mushroom cultivation and vermicomposting technology.
- II. This program will help students to become self-employed.
- III. Mushroom Culture Technology is a SEC paper (S/BOT/204/SEC-2 and S/BOT/203/MD-2) in NEP Four Years UG Course in Botany UG curriculum of Bankura University and vermicomposting process is included in another SEC paper (Biofertilizer- Course Code: S/BOT/104/SEC-2 and S/BOT/103/MD-2) in NEP Four Years UG Course in Botany UG curriculum.
- IV. Another purpose of vermicomposting unit is to manage biodegradable wastes generated in college campus and from college canteen.
- V. Students of Bio science of our college participated in this workshop and learn about technique of vermicomposting and mushroom culture.

#### **Outcome:**

Sixty one students were actively participated and involved in hands on training program. They were benefited from this program and mostly eager to develop small unit in their home. They gave suggestion in their feedback responses to organize more advance training and workshop like this. Hope the knowledge of this workshop will spread in our society through our stakeholders and society will be benefited .

As mushroom culture technology and vermicomposting process is included in our NEP curriculum the students gathered knowledge from this workshop about the techniques.

**5. One Day National Seminar on “Recent Trends in Mathematics and Its Applications” organised by Department of Mathematics & IQAC Sonamukhi College, IN ASSOCIATION WITH AND PARTIALLY SPONSORED BY Vivekananda Guidance & Counselling Educational Trust, Midnapore, WB**

**A Brief Report on Seminar/Workshop/Webinar**

1. **Title of the Seminar:** *Recent Trends in Mathematics and Its Applications*
2. **Organized By:** Department of Mathematics & IQAC, Sonamukhi College
3. **Association With:** Vivekananda Guidance & Counselling Educational Trust, Midnapore
4. **Date:** 13<sup>th</sup> December, 2024
5. **Venue:** Seminar Hall (F2), Sonamukhi College
6. **Number of Participants:** 33 (Thirty three)
7. **Funded By:** Sonamukhi College, Vivekananda Guidance & Counselling Educational Trust, Midnapore
8. **Level:** National

**10. Details of Resource Persons:**

I. Prof. Dr. Habil. Subhendu Bikash Hazra, Dept. of Mathematics, Bankura University, Bankura

II. Dr. Mijanur Rahaman Seikh, Dept. of Mathematics, Kazi Nazrul University, Asansol

III. Dr. Bidhan Chandra Sardar, Dept. of Mathematics, IIT Ropar

**Objective:**

The seminar aimed to illuminate the latest developments in mathematical theory and its diverse applications across various fields. The seminar will provide a platform for researchers and professionals to share insights on advancements in mathematics and its practical applications in various areas of pure and applied mathematics including Fuzzy set theory, Game theory, Decision-making, Partial Diff. Equations and their applications, Mathematical biology, highlighting the role of mathematics in shaping future innovations, etc. Ultimately, this seminar seeks to enrich understanding and inspire further exploration in both pure and applied mathematics.

The primary objective of the seminar was to create an engaging academic environment where **mathematicians, researchers, and students** could exchange knowledge, discuss cutting-edge developments, and address key challenges in the field. The event sought to encourage research collaborations, promote interdisciplinary approaches, and foster a deeper appreciation of the role of mathematics in solving real-world problems.

**Basic objectives of the seminar –**

1. **Enhancing Knowledge:** To provide participants with insights into emerging areas of mathematical research and their applications in real-world problems.
2. **Interdisciplinary Approach:** To explore the role of mathematics in diverse fields such as engineering, physics, and computational sciences, etc.

3. **Encouraging Research and Collaboration:** To create a platform for researchers and academicians to exchange ideas, present their findings, and establish collaborative networks.
4. **Exposure to Advanced Topics:** To introduce participants to advanced mathematical concepts such as modelling and simulation, fuzzy set theory, and homogenization of PDEs, through expert lectures.
5. **Student Engagement:** To motivate undergraduate students towards higher studies and research in mathematics.

**Outcome:**

The seminar proved to be a significant academic event, fostering knowledge exchange and intellectual growth among participants. The expert lectures provided valuable insights into advanced mathematical concepts, enriching the understanding of both students and researchers. Participants gained exposure to cutting-edge topics such as mathematical modeling, fuzzy set theory, and the homogenization of partial differential equations, which broadened their perspective on real-world applications of mathematics. The research paper presentations allowed scholars to showcase their findings, receive constructive feedback, and engage in meaningful discussions, thereby refining their research ideas. Additionally, the event facilitated networking among faculty members, research scholars, and students from various institutions, fostering potential collaborations for future research endeavors. The seminar also served as a source of motivation for undergraduate students, inspiring them to explore mathematics beyond their academic curriculum and consider research-oriented careers. Moreover, the papers presented during the seminar were considered for publication in an Abstract Proceedings, ensuring that the knowledge shared during the event reaches a wider audience. Overall, the seminar was a resounding success, reinforcing the relevance of mathematics in both theoretical advancements and practical applications.

**About the College:** Sonamukhi College, a reputed higher education institution in Bankura District, West Bengal was established in 1966. Renowned for its academic excellence, vibrant atmosphere, eco-friendly setting, cultural engagement, and sportsmanship, the college is currently accredited with B+ grade by NAAC. It offers 18 major undergraduate subjects under the affiliation of Bankura University.

The Department of Mathematics at Sonamukhi College began its journey in 1979, offering a degree course in Mathematics. The department aims to deepen students' understanding of mathematical, quantitative, and scientific principles applicable in various fields, fostering analytical decision-making. Beside regular teaching-learning activities, the department tries to organize seminar, webinar, etc. in regular basis.

### Call for Papers.

Sir/ Madam,

It is indeed a great pleasure to invite you to the national level seminar and contribute by submitting an original research article, review work, case study, popular Talk, etc. in relevant areas. The faculty members, Research scholars, Students, Ex-students can participate in the seminar. Your participation will contribute greatly to the success of this event. Thanking you.

Convener, Organizing Committee

### Guidelines for Abstract:

Please prepare your abstract within 300 words in MS Word with font style Times New Roman, size 12 and line spacing of 1.5. The Title should be in Capital and Bold followed by the name of the Author(s), Affiliation, Designation and email ID. Please submit your abstract to [mathematics@sonamukhicollege.ac.in](mailto:mathematics@sonamukhicollege.ac.in) by 5<sup>th</sup> December 2024.

## Message of Principal

Basic needs to survive for any animal are food and shelter. Men are distinguished by the degree of intelligence. Formation of society is the consequence. Elapse of time in society envelopes knowledge. Knowledge gets propagated through generations. The best avenue for propagation is education. Cultivation of education leads higher education. Expansion in Higher education requires proper trafficking of knowledge. Most acceptable windows under one roof are Seminar, conference and workshops. At least three generations (students, researcher and veteran researchers) simultaneously get opportunity in sharing the advancement of knowledge.

Sanskrit Department, IKS Cell and IQAC of Sonamukhi College have been tuned with "Ananda Marga Pracharak Sangha and Renaissance Universal" in all respect. The outcome is one-day International Seminar on "Indian Cultural Heritage and Shrii Shrii Anadamurti". Organizing stakeholders have arranged for housing the eminent resource personalities on 18<sup>th</sup> Dec 2024 with the advent of technology. Selection of topic will not only share ancient knowledge but also strengthen the youth through spiritual grooming. It's my privilege to thank all the stakeholders who have involved themselves in making the International Seminar a grand success.

With warm regards,  
Dr. Bappaditya Mandal  
Chief Patron, Seminar on "Indian Cultural Heritage and Shrii Shrii Anadamurti"

# The Folk -Song of Rarha in Connection with that of Bengal: From the View Point of Shri Shri Anandamurti

Professor Gopalchandra Misra

Former Vice-chancellor, Gour Banga University

**Abstract:** The attraction of man towards song is eternal that doesn't require reiteration. The song, in fact, has an unpreventing power that can take us to the deepest lair of anything on earth. It paves path for taking away man from his finite existence to that of infinity. India, out of such a feeling, as like as other countries of the world, is of the opinion that there's no other learning greater than song-" an vidya sangit pra." The Indian scriptures have also observed that the song encompasses the tune, the instrumental sound and the dance.

The Samaveda is said to be the authentic origin of Indian songs. The uninterrupted tradition of Indian songs starting from the Rgveda down to those of present time have been nourished through the ages of the Ramayana, the Mahabharata, the Buddha and Jaina literatures, the Puranas and so on. Even more, side by side of the tradition of such classical songs, the folk songs had been sprouting and developing among the cultural activities of the common people. And this sort of cultural trends gave birth to various types of folk-songs across the country. So, today, each of the Indian states have folk-songs of their own.

Our Bengal is not an exception. It has its rich tradition of folk-songs. The folk-songs of Bengal worthy to be mentioned are the 'Baul', the 'Kirtan', the 'Bhatiyali', the 'Bhaoyiya', the 'Jhanpan', the 'Bolan', the 'Ghambhira', the 'Tusu' the 'Bhadu' and the 'Jhumur.'

When we come to see the region named "Rarha" in Bengal, we can understand the Geographical territories of the west part of Murshidabad, Birbhum, undivided Burdwan, Hooghly, Howrah, undivided Medinipur and Purulia. Although the folk-songs like the Jhumur and the Tusu of Purulia district, the Bhadu of Bankura and Birbhum, the Patua and the Sitalamangala songs of Medinipur and the Kirtana of all the districts of Rarha Bengal are well known to us, the Baul, the Kirtana and the Jhumur are taken to be predominantly prevalent. Shri Shri Anandamurti had also opined that the trio had been retaining the blazing beam of the cultural heritage of folk-songs of Rarha. Surprisingly enough, though his opinion defers with those of others, Anandamurti is of firm conviction that Rarha Bengal is the birthplace of all the three folk-songs mentioned above.

The importance of the folk-songs lie in the fact that, apart from being instrumental for recreation to the hard working class of people of the society, this kind of fine arts bear marks of a cultural heritage of the region, the place of nourishment of those folk-songs. Besides, an intensive study of this kind of amusements can help to unearth a perspective of the history of evolution and development of this kind of cultural heritage of that particular region in which it has been nourished and brought up.

## MESSAGE FROM CHIEF GUEST

Thanks to the organizers of the International Seminar, titled: Indian Cultural Heritage and Shrii Shrii Anandamurtii, organised by Department of Sanskrit, IKS Cell and IQAC of Sonamukhi College, Bankura in collaboration with Ananda Marga Pracharaka Samgha and Renaissance Universal. I express my sincere gratitude to the Principal, Dr. Bappaditya Mandal of the college and Dr. Sadhan Kumar Patra, Department of Sanskrit, who have taken initiative to highlight Indian Cultural Heritage and Shrii Shrii Anandamurtii's multifarious contributions. On this occasion, I offer my Sastang Pranam to our beloved Guru Shrii Shrii Anandamurtii. First of all, I want to highlight his contribution in the field of culture and music. It is pertinent to mention here, that Shrii Shrii Anandamurtii has written more than 350 books in the field of art, culture, music, science, philosophy, economics, history, women issues, education, ethics, morality, Neohumanism, and so on.

Shrii Shrii Anandamurtii also known as Prabhat Ranjan Sarkar, who delivered discourses on culture and said, "The collective name of different expressions of human life is culture. I may as well tell you at the very outset that culture is one for the whole human race." 7000 years ago Lord Shiva came to this earth and his oceanic contribution for humanity is unfathomable like yoga, tantra, raga, ragini, nritya, marriage system, mudra, and so on. To enrich Indian culture, Shri Prabhat Ranjan Sarkar has composed 5018 songs within 8 years in 8 different languages – Bangla, Sanskrit, Hindi, Urdu, English, Angika, Maghei and Maithili. The meaning of Prabhat Samgiita is songs of new dawn. Further he also explains, Samgiita means music, dance and instrumental music. Prabhat Samgiita is purely devotional and social songs, which brings human beings closer to lord and also creates social awareness to keep harmony in the society too. Its lyrical excellence is unparalleled. Prabhat Samgiit is written with the feeling of heart, expression of heart and it is written with the ink of heart.

Ananda Marga philosophy based on 3 approaches.

1. Intuitional approach, that's spiritual cult.
2. Psycho-intellectual approach (that is neo humanism)
3. Socio-economic approach, that is PROUT (economic theory)

I want to explain how spirituality has emerged. When the aesthetic [sense], based on the subtle aesthetic science, comes to touch a particular standard, it is what is called mysticism. And when this mysticism reaches the pinnacle of human glory, or the excellence of human grandeur, it is spirituality. What is mysticism? Mysticism is the never-ending endeavour to find the link between finite and infinite. It is a never-ending endeavour to find a link between self and Supra-Self, *khud* and *Khudá*. This is mysticism. It is one of the human wants that they are never satisfied with something finite. They are never satisfied with something limited. In Sanskrit it is said, *Nálpe sukhamasti bhúmaeva sukham*— "Human thirst cannot be quenched by something limited, human hunger cannot satisfy something finite." Now, when man started his movement in quest of that Supreme Being, in quest of that Supreme Bliss, man first came in contact with spirituality. And as spirituality is coming in contact with the Infinite, that is, the finite comes in contact with the Infinite, it is called yoga. Yoga is the unit moving in quest of the Infinite, the finite moving towards the Infinite, in a mystic style.

The total perfection and imperfection of human beings is called humanity. When we get a higher and noble idea it is known as humanism and Neo-humanism is the past humanism, present humanism and newly explained future humanism is Neohumanism. It means the theory which teaches the welfare of living and nonliving both, that is neo-humanism. Progressive Utilisation theory, is an economic theory propounded by Shri PR Sarkar, based on spirituality. P.R.sarkar emphasises minimum guarantees, food, cloth, medicine, education and shelter. Further he said, according to merit, surplus wealth should be provided among the meritorious. PROUT encourages maximum utilisation of all potentialities, decentralised economic theory, cooperative system, balanced economy etc.

Shrii Shrii Anandamurtii has also written a book titled Ananda Sutram, comprising 84 aphorisms. First sutra says, the combination of Shiva and Shakti is Brahma. It seems they are dual in theory but singular in spirit. For example, fire and its thermal value, we cannot separate it. Same way the relation of Purusa and Prakriti is like that. Ananda Marga Philosophy clearly stands for nondualism, dualism and nondualism. 1st chapter of 3rd sutra says, the creation of the universe has begun in the process of centrifugal and centripetal movement, philosophically known as singhara and pratisanchara dhara. He further said there are three process of human evolution: i) Physical force emanated from physical clash ii) psychic force emanated from psychic clash iii) Spiritual force emanated from attraction of the great.

21. Objective:

- 1) Increasing Voter Awareness and Education: SVEEP aims to educate and inform voters about the electoral process, their rights, and the importance of voting. This objective includes reaching out to underrepresented groups, such as women, youth, and marginalized communities, to ensure they are aware of how and why to participate in elections.
- 2) Facilitating Inclusive Elections: The program strives to make the electoral process more inclusive by ensuring that all segments of society, including people with disabilities, senior citizens, and those in remote areas, can easily participate in elections. This objective includes providing necessary facilities and resources to overcome physical, social, and economic barriers to voting.

22. Outcome:

- 1) Improved Voter Awareness: The program has successfully enhanced voter awareness regarding the electoral process, rights, and duties, leading to more informed voting choices and greater public engagement in the democratic process.
- 2) Inclusion of Marginalized Groups: SVEEP has facilitated greater inclusion of marginalized groups, such as women, youth, people with disabilities, and residents of remote areas, by addressing barriers and making the voting process more accessible.

7. Funded By: Sonamukhi College
8. Level: College Level
9. Details of Resource Persons:

Sonamukhi College and the Centre for Folklore Studies and Research (CFSR, Dubrajpur, WB) have signed a MoU in 2024 for protection and preservation through study and research of this local heritage as social responsibility. The festival of Baba Manohar Das (Sonamukhi Mahatsov) is carried forward through 19 AKHRAAs. As part of this initiative, an exhibition was held at the Sonar Bangla Durga Mandir with 78 exhibits including pamphlets that showcased the cultural heritage of Sonamukhi Mahotsav of previous year. Each image was attached with caption. Those are partly carrier of evolution of art and festival. Video presentations were also included. Students and teachers actively participated in that event. Student Social Workers are involved in the field work and documentation to preserve the heritage and cultural significance of the festival for future generations.

This integral part of 'Mahotsav' has received a massive response from the locals of Sonamukhi and visiting attendees. The exhibition was held from 6th to 8th April 2025, from 5 PM to 9 PM. To manage the crowd, NCC cadets from Sonamukhi College and civic volunteers from the Sonamukhi police station were deployed.

Sub: Seeking permission to conduct an outreach programme at Sonamukhi B.J. High School.

Dear Sir,

With due honour, we, Commerce Dept and Social Work Dept. jointly eager to conduct an awareness programme on facilities / opportunities available and also beneficial for Commerce graduate and Social work graduate at a same platform as an outreach programme. As there is no sufficient scope to acquainted with social work stream with the student at the time of H.S. study. Again, again students for studying Commerce has been declining gradually. So we are taking initiative to alert the students about said issues.

Hope your positive gesture will move in our favour.

Thanking you

Dear Sir,

*Referring to the subject of the email, I request you kindly send the acceptance letter as one of the resource persons for a 3-day meditation and breath workshop (an outreach program initiated by Sonamukhi College) spanning between 9th May and 11th May 2025.*

*We have discussed the matter over the telephone, inviting you before the commencement of the program when you have verbally accepted the invitation (to be one of the resource persons) and helped to complete the programme in consequence.*

*We are really thankful to you for that, and now we are requesting you to kindly send the official acceptance letter (taking this email as an official invitation to you in consequence of the verbal invitation).*

*It will be more helpful for us if you are kind to attach a copy of the official acceptance letter (in your letter pad) in your response email.*

*With regards,*

*Dr. Manisha Halder Biswas*
