## 4.2.1 Library is automated using ILMS

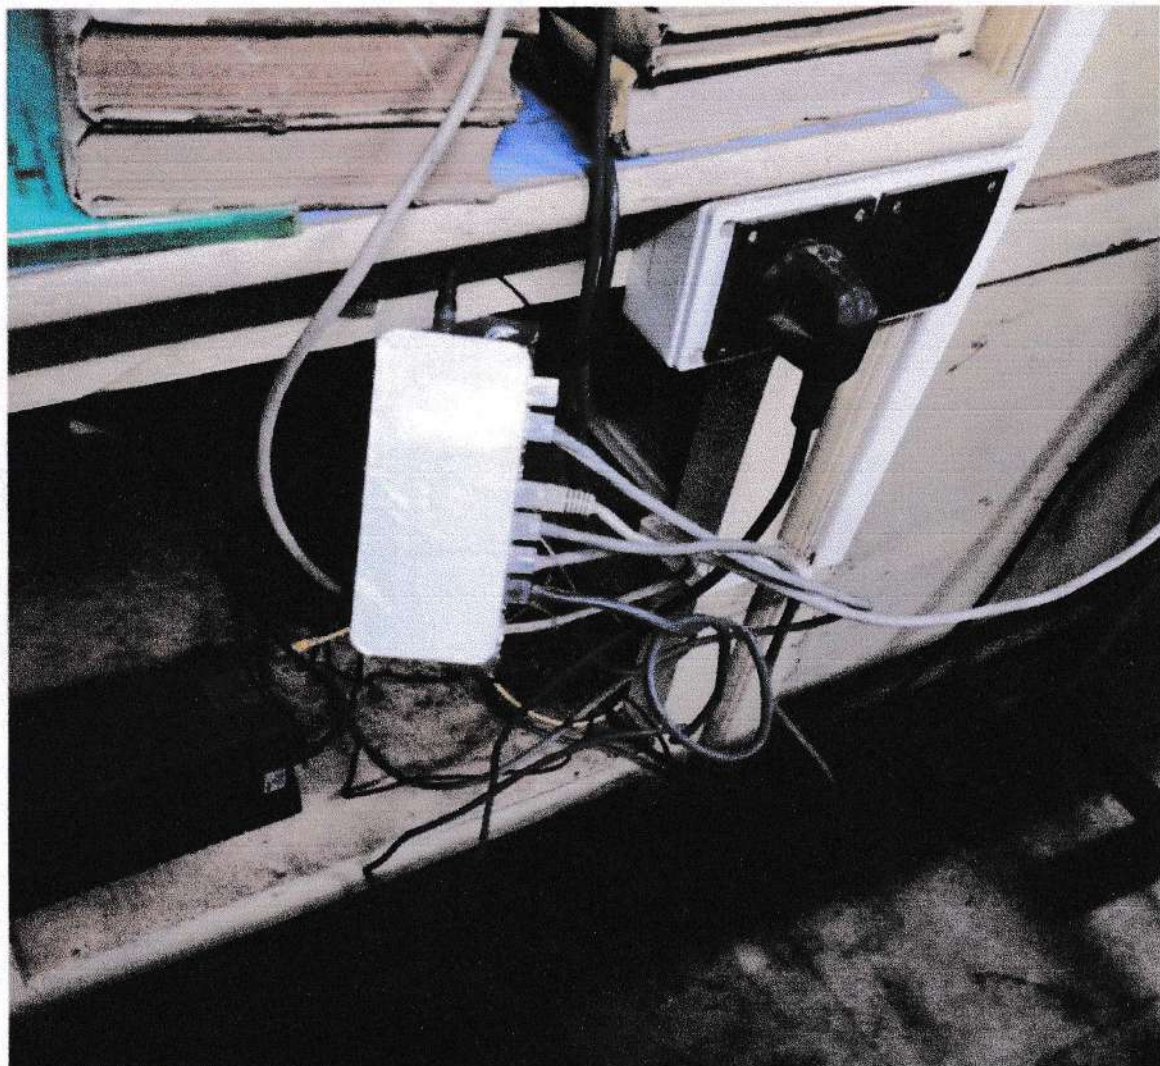

- The Central Library of Sonamukhi College is fully automated with the Library Management Software (Local made part of ERP). This version was installed in the year 2016. Since then, the accession and cataloguing of the Library Books, issue and return have been done through this software.
- Besides this software, the library has the facility of Bar-coding machine.
- The students can check the availability of Books online in the Library through Online Public Access Catalogue (OPAC).
- The Library has institutional membership with NDL (National Digital Library) provide by IIT KGP and INFLIBNET-NLIST.
- E-resources can be accessed through Sonamukhi College Website [https://sonamukhicollege.ac.in/library\\_eresources.php](https://sonamukhicollege.ac.in/library_eresources.php)
- Specialized services such as information deployment, notification, printing facility etc. are provided to the students
- Issue-return printings, Barcode printer, system for internet browsing and online catalogue search are some of the major initiatives.
- Barcode issue-return system is in practice in the Library.

## New Book Entry Page

The screenshot displays the Sonamukhi College Library Management System interface. At the top, there's a navigation bar with links like Home, About Us, Contact Us, and various user roles (Admin, Librarian, Student, Teacher). Below this is a header section with the college name, address, phone number, and email. The main menu includes options like Add New Book, Issue Book, Return Book, and more. The central part of the page features a large green banner with the text "New Book Entry". Below the banner is a form titled "New Book Entry" with fields for Title, Author(s) Surname, Author(s) Firstname, Publisher, Pub. Place, Pub. Year, ISBN No., Edition, Accession No., Subject, and Department. A blue button labeled "Click Here or Press F3 to Search Book" is also visible.
