SONAMUKHI COLLEGE
DEPARTMENT OF POLITICAL SCIENCE
Soft Skill Programme Report
Theme of the Programme "Parliamentary Procedures and Practices"
Session 2024-2025

A Soft Skill Programme on the topic "*Parliamentary Procedures and Practices*" was successfully conducted by the Department of Political Science on 9th April 2025 at 11:30 AM in Room G15. The session aimed to enhance students' understanding of the functioning of the Indian Parliament, its procedures, and the importance of parliamentary etiquette and practices in a democratic setup. The resource person for the session was Mr. Santimoy Khan, a respected academician and former Associate Professor of Political Science at PRMS Mahavidyalaya, Bankura. With his vast teaching experience and deep knowledge of parliamentary democracy, Mr. Khan engaged the participants in a comprehensive and insightful discussion on various aspects of parliamentary procedures.

The programme began with a brief introduction of the guest speaker, followed by his lecture, which touched upon key parliamentary processes such as Oath-taking, Obituary References, Question Hour, Zero Hour, Introduction of Bills and Motions, Debates, Adjournment Motions, and Voting Procedures. He also shared real-life examples from Indian parliamentary history, helping students to relate theoretical knowledge to practical governance. He also emphasised the relevance of these procedures in understanding the functioning of a democratic government and the role of citizens in holding representatives accountable. His session was both interactive and thought-provoking, encouraging students to ask questions and reflect on the significance of youth participation in democratic processes like the Youth Parliament.

The programme concluded with a thanksgiving session led by the Principal, Sir, who appreciated Mr. Khan's contribution and encouraged students to engage more deeply in civic education and public discourse. He expressed his gratitude to the organising team

(Department of Political Science) and all participants for making the event a success. Overall, the session was highly informative and well-received by students and faculty members alike.
