### **About NSS Units of Sonamukhi College**

The National Service Scheme is a noble Youth Activity of our country started in 1969 on the occasion of the birth centenary of Mahatma Gandhi. The main objective of NSS is 'Education through Community Service'. "Not me but you" is the motto of NSS which means every person should realize that not he alone or she alone is important but the society in which he or she lives is on the whole important. NSS activities are multipurpose as well as multidimensional in their nature. And in practice, these activities take an important part to the service of mankind and in execution of the process of formation of the future generation of the country through various constructive programmes. The phenomenal success of Science and Technology in his service has made man forget the long cherished values such as love, peace, co-operation and tolerance etc. Materialism and its comfort shifted the importance of life to mere acquisition of material wealth. Further Globalisation has thrown the values out of greater life.

West Bengal is one of the first few states where NSS has been introduced since its inception in the country in 1969. In the days to come, NSS activities will further be strengthened to take it to the optimum level by sincerity and commitment of all concerned. Similarly the NSS of Sonamukhi College has achieved many goals of youth empowerment. The NSS volunteers are involved in multi-dimensional activities like laying of college garden, tree plantation, adoption of village, Swachh Bharat Abhiyan, health camp, awareness programmes etc. The students may be placed in projects of adult education, welfare of slum dwellers, training in civil defence, traffic control, adventure sports, work in hospitals, orphanages, destitute homes.

## **Our mission**

- To inculcate principles, values and ideologies in the younger generation and make them aware of their commitment towards social and moral duties and initiate them into social community service.
